~Today's Bible Verses Below ~

Psalms 29:11 The LORD will give strength unto his people; the LORD will bless his people with peace.

~Our Thought~

As I was reading my Bible the other day, and for some reason I had this verse highlighted, and nothing wrote beside it. I looked at the word HIS, and it just really stuck out at me.

The word His in the "**Merriam-Webster**" means: **relating to him or himself especially as possessor, agent, or object of an action.**

It is a very good feeling to know for sure that we are HIS from the top of our head to the bottom of our feet.

I would like to ask you today "Are you totally **HIS (JESUS CHRIST)?**"

In the "**Gill study**" it says, (**Psa 29:11 - The Lord will give strength unto his people, His special people, his covenant people, whom he has chosen for himself; these are encompassed with infirmities, and are weak in themselves; but there is strength for them in Christ: the Lord promises it unto them, and bestows it on them, and which is a pure gift of his grace unto them; this may more especially regard that strength, power, and dominion, which will be given to the people of the most High in the latter day; since it follows, upon the account of the everlasting kingdom of Christ;**)

In closing today I would like to say that we are all weak by ourselves, and if it was not for God we couldn't do anything. We can't breathe on our own, or walk on our own.

But with God living within us we can do all things. (**Philippians 4:13**) says "I **can do all things through Christ which strengtheneth me**".

This can only be if we are living according to God's word.
